Explore Egyptian beliefs, myths and rituals in this illustrated work. The ancient Egyptians left behind an astonishing cultural legacy - a rich body of writings about the quest for immortality and the passage through life, death and the underworld. Artifacts, paintings and burial sites, left behind almost 2000 years after the disappearance of this extraordinary civilization, continue to intrigue us today. The book traces the journey of the soul from creation to death, and the hazardous voyage that it must make through the Underworld after death in search of eternity. Magic, ritual, the gods and pharaohs, the symbolism of the stars and great battles are key themes in this journey.
