**The Zombie Survival Guide: Recorded Attacks** Max Brooks, Ibraim Roberson  
**Those who don't learn from history are condemned to repeat it.**

From the Stone Age to the information age, the undead have threatened to engulf the human race. They're coming. They're hungry.

**Don't wait for them to come to you!**

This is the graphic novel the fans demanded: major zombie attacks from the dawn of humanity. On the African savannas, against the legions of ancient Rome, on the high seas with Francis Drake . . . every civilization has faced them. Here are the grisly and heroic stories—complete with eye-popping artwork that pulsates with the hideous faces of the undead.

**Organize before they rise!**

Scripted by the world's leading zombie authority, Max Brooks, *Recorded Attacks* reveals how other eras and cultures have dealt with—and survived—the ancient viral plague. By immersing ourselves in past horror we may yet prevail over the coming outbreak in our time.

*From the Trade Paperback edition.*
