A six-year downward spiral into a world of lies and deception leads to the end of one man's life when self-discovery crosses the line between being the perfect son or following his heart.

Jimmy Miller never intended to lead a double life starting the day he fell in love with Darian, but his parents' divorce, fighting in school, and constantly keeping secrets for his closeted best friend and protector Matt force his hand. Jimmy finds the demands too great to withstand and ends it all prematurely, leaving behind an angry best friend and a shattered lover.

Matt and Darian cling to one another in the aftermath of their loss, forging a new friendship immediately tested by the truths of their relationships with Jimmy that are hidden in the pages of Jimmy's journals. Will Matt and Darian discover what truly happened to their friend? And will this tragedy birth something beautiful between them as they learn the balance between life, family, and friendship when love is simply not enough?

A Bittersweet Dreams title: It's an unfortunate truth: love doesn't always conquer all. Regardless of its strength, sometimes fate intervenes, tragedy strikes, or forces conspire against it. These stories of romance do not offer a traditional happy ending, but the strong and enduring love will still touch your heart and maybe move you to tears.
