Tomorrow's a new beginning...

When a digitally aged photo of a girl named Hope Lawson is posted online, Bailey Smith can't deny the similarity to herself. But could she really be the same woman who was abducted as a child twenty-three years ago?

When she meets Detective Seth Chandler, who opened the cold case of Hope's disappearance, suddenly everything changes. Not only does Bailey have a family she barely remembers—and a sister she's never met—she's connecting with a man for the first time. A man who's loving and gentle. But Bailey's not sure she's ready to be found: by him or the parents she once lost.
