**Dreaming the Eagle (Boudica Trilogy)** Manda Scott

**Dreaming the Eagle** is the first part of the gloriously imagined epic trilogy of the life of Boudica.

Boudica means Bringer of Victory (from the early Celtic word “boudeg”). She is the last defender of the Celtic culture in Britain; the only woman openly to lead her warriors into battle and to stand successfully against the might of Imperial Rome -- and triumph.

It is 33 AD and eleven-year-old Breaca (later named Boudica), the red-haired daughter of one of the leaders of the Eцени tribe, is on the cusp between girl and womanhood. She longs to be a Dreamer, a mystical leader who can foretell the future, but having killed the man who has attacked and killed her mother, she has proven herself a warrior. **Dreaming the Eagle** is also the story of the two men Boudica loves most: Caradoc, outstanding warrior and inspirational leader; and Bàn, her half-brother, who longs to be a warrior, though he is manifestly a Dreamer, possibly the finest in his tribe’s history. Bàn becomes the Druid whose eventual return to the Celts is Boudica’s salvation.

**Dreaming the Eagle** is full of brilliantly realised, luminous scenes as the narrative sweeps effortlessly from the epic -- where battle scenes are huge, bloody, and action-packed -- to the intimate. Manda Scott plunges us into the unforgettable world of tribal Britain in the years before the Roman invasion: a world of druids and dreamers and the magic of the gods where the natural world is as much a character as any of the people who live within it, a world of warriors who fight for honour as much as victory, a world of passion, courage and spectacular heroism pitched against overwhelming odds.

**Dreaming the Eagle** stunningly recreates the roots of a story so powerful its impact has lasted through the ages.

*From the Trade Paperback edition.*
