Eisenhower

Geoffrey Perret

Eisenhower Geoffrey Perret

This new, in-depth life of Eisenhower offers fresh perspectives, not only on World War II and the Korean War but also on the Cold War, the civil rights movement, McCarthyism, the U-2 crisis and Vietnam.

Geoffrey Perret's **Eisenhower** gives us, for the first time, the whole man. It brings together a huge amount of material, much of it made available to researchers only in recent years. The result is nothing less than an original, authoritative and provocative portrait of Eisenhower, as both soldier and president.

Far from being the easygoing and pliant figure often depicted by his critics, Eisenhower is revealed here as a complex, tough-minded and highly capable man, one who rose to the top of the world's most competitive profession, the modern military. His career as a soldier would prove to be an excellent preparation for most, though not all, of the major challenges he faced as America's thirty-fourth president.

Eisenhower's letters and diaries—many of them never seen by previous biographers—have contributed profoundly to this groundbreaking work. So, too, have dozens of interviews with people who knew him well. These fresh sources have made it possible to resolve many intriguing questions that have, until now, been matters only of speculation and rumor:

Did he have an affair with Kay Summersby, his wartime driver?

Why did he have so much trouble with Field-Marshal Montgomery?

Did the Columbia University trustees appoint him by accident, as campus whispers claimed, in a bungled attempt to offer the university presidency to his brother Milton?

Just how did he bring the Korean War to an end within months of becoming president?

What did he really think of Richard Nixon?

Geoffrey Perret, the author of *Old Soldiers Never Die: The Life of Douglas MacArthur*, as well as *There's a War to Be Won*, an acclaimed history of the United States Army in World War II, is uniquely qualified to write this new life of Dwight D. Eisenhower, a work that is worthy of its remarkable and controversial subject.

Elizabeth Talbot:

Reading a book for being new life style in this yr; every people loves to learn a book. When you read a book you can get a large amount of benefit. When you read ebooks, you can improve your knowledge, mainly because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you wish to get information about your analysis, you can read education books, but if you act like you want to entertain yourself look for a fiction books, such us novel, comics, and also soon. The Eisenhower will give you a new experience in examining a book.

Adrienne Helms:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Eisenhower can make you feel more interested to read.

Richard Starkes:

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information from your book. Book is prepared or printed or created from each source this filled update of news. Within this modern era like currently, many ways to get information are available for a person. From media social just like newspaper, magazines, science reserve, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just in search of the Eisenhower when you necessary it?
