Incredible--and True!--Fishing Stories Shaun Morey

Over 33 million people fish in this country. They went on over 455 million fishing trips and spent more than \$41 billion on fishing expenses. And what's almost as good as going fishing? Hearing, telling, and swapping great fish stories. Shaun Morey is a fisherman, a connoisseur of fish stories, and a journalist with a novelist's eye (and vice versa) whose first collection, *Incredible Fishing Stories*, has 471,000 copies in print. In the years since that book's publication, Morey has continued to reel in jaw-dropping tales, and the result is a new collection of over 100 *even more incredible* fishing stories.

Here are Remarkable Catches—like the time Billy Sandifer caught a 1,000-pound tiger shark in the surf (he released it after nabbing a souvenir tooth). Grueling Battles—like Bob Ploeger's record-breaking 37-hour fight with a Pacific salmon. Hilarious Feats of Bravery, like the exploits of Matt Watson, who leapt out of a helicopter to land on the back of a marlin. And, in what can only be considered poetic justice, Shocking Acts of Fish Aggression, like Mitchell Lee Franklin's visit to the emergency room with a 5-pound catfish attached to his chest via an impaled dorsal fin. Includes illustrations, photos, and links to videos on the author's website.

From reader reviews:

Scott Barbour:

The book Incredible--and True!--Fishing Stories gives you the sense of being enjoy for your spare time. You should use to make your capable far more increase. Book can for being your best friend when you getting stress or having big problem with your subject. If you can make examining a book Incredible--and True!--Fishing Stories for being your habit, you can get more advantages, like add your own capable, increase your knowledge about a number of or all subjects. You could know everything if you like open and read a e-book Incredible--and True!--Fishing Stories. Kinds of book are several. It means that, science guide or encyclopedia or others. So , how do you think about this e-book?

Melissa Conner:

Do you have something that you enjoy such as book? The book lovers usually prefer to select book like comic, limited story and the biggest one is novel. Now, why not trying Incredible--and True!--Fishing Stories that give your fun preference will be satisfied simply by reading this book. Reading behavior all over the world can be said as the opportunity for people to know world considerably better then how they react to the world. It can't be stated constantly that reading addiction only for the geeky man but for all of you who wants to be success person. So , for all of you who want to start reading through as your good habit, it is possible to pick Incredible--and True!--Fishing Stories become your personal starter.

Ruth Brown:

Is it an individual who having spare time after that spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This Incredible--and True!--Fishing Stories can be the answer, oh how comes? It's a book you know. You are thus out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these guides have than the others?

Gerald Patton:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Incredible--and True!--Fishing Stories can make you really feel more interested to read.
