Nacionalismos, a favor y en contra (360° / Claves Contemporáneas) (Spanish Edition) Jeff McMahan, Thomas Hurka, Judith Lichtenberg, Stephen Nathanson

A lo largo de los últimos siglos, los movimientos nacionalistas han dejado una indiscutible huella política en nuestra historia reciente. Los argumentos a favor o en su contra han movilizado emociones y polarizado posturas. Su auge también acompaña a un proceso de globalización que ha cuestionado soberanías estatales, ha debilitado fronteras para los movimientos de capital y mercancías, y ha puesto a competir a trabajadores y territorios a escala mundial. En esta situación paradójica nos preguntamos: ¿hasta qué punto las personas deben mayor solidaridad para con los miembros de su comunidad? ¿Existen formas positivas y negativas de nacionalismo? ¿Deberían los liberales rechazar el nacionalismo? ¿Cómo conjugar intereses de grupo y derechos humanos universales? Esta obra nos ofrece reflexiones imprescindibles para la comprensión de un tiempo que demanda ser interpretado. Los autores, expertos en derecho y filosofía, examinan los orígenes, la psicología y trasfondo a veces poco consciente de este fenómeno moderno, así como la complejidad respecto a la parcialidad del nacionalismo y de su compatibilidad con un humanismo global. Thomas Hurka es profesor de Filosofía en la Universidad de Calgary. Es autor de numerosos artículos de filosofía moral, particularmente en teoría de los valores. Judith Lichtenberg es profesora de Filosofía en el College Park de la Universidad de Maryland. Ha centrado sus análisis en ética internacional, inmigración, nacionalismo y otras cuestiones de filosofía moral. Jeff McMahan es profesor de Filosofía en la Universidad de Illinois. Ha escrito extensamente sobre ética política y filosofía aplicada. Stephen Nathanson es profesor de Filosofía en la Universidad de Northwestern. Ha escrito numerosas obras sobre terrorismo, patriotismo y otras dimensiones de la filosofía política.
