Triumph (The Old Florida Series) Heather Graham

Heather Graham's Old Florida series comes to a close with a star-crossed affair between a Northern soldier and a Southern belle

Bravery in war can take many forms. There is the bravery of sacrifice for your country, and of attacking in the face of an opposing army, but there is also the bravery of risking your life to help others. And that is just what Tia McKenzie does for the rebel cause. She sneaks into the North and escorts rebel soldiers back to safety, using a trick borrowed from Lady Godiva.

Fortunately, Tia's passionate and brave defense doesn't go unnoticed. Union soldier Taylor Douglas is immediately taken with her beauty and her strength. But standing between them are the chasm of war, the hostilities of their families, and a forced marriage to the wrong man. Bringing the entire McKenzie family back into the fold, *Triumph* is the explosive and satisfying ending the Old Florida series so richly deserves.

This ebook features an illustrated biography of Heather Graham, including rare photos from the author's personal collection.
